First Surveillance	Second Surveillance	Third Surveillance
--------------------	---------------------	--------------------

General Manager, Wang Xiaodong

The first surveillance audit after the initial or recertification audit shall be conducted within 12 months from the date of issuance of the certification certificate, and the interval between two consecutive surveillance audits shall not exceed 12 months.

The certified organization must undergo regular surveillance audits and maintain compliance for this certificate to remain valid. After each successful surveillance audit, WIT will affix a qualified label to this certificate.

If the scope of certification involves administrative licensing or national compulsory certification requirements, this certificate shall become invalid simultaneously with the expiration or revocation of the relevant administrative license or national compulsory certification certificate.
